PER CURIAM

ORDER

Motion to waive the requirements of Rule 84.22(a) sustained.

Upon consideration of the petition, and finding this case, unlike *State ex rel. Teichman vs. Carnahan*, No. SC92237, decided January 17, 2012, involves disputed issues of fact, the petition is denied without prejudice to filing a declaratory judgment action in the appropriate circuit court to resolve the factual issues in dispute in a manner similar to *Pearson v. Koster*, No. SC92200, decided January 17, 2012.

Upon this matter being filed in the circuit court, that court shall expedite this matter to ensure a prompt decision in this election case. *See Pearson v. Koster* and *State ex rel. Teichman vs. Carnahan*.
